Academic Goals

All of SLCC's academic programs are grouped within eight Areas of Study. Whether your goal is to complete a certificate or degree, transfer to a four-year institution, or go directly into the workforce, SLCC provides a guided program of study to help you choose courses and create a Pathway that will help you achieve your academic goals.

Not sure what Area of Study to choose? That's okay!

Pick the Area of Study that best fits your area of interest. After you are admitted, your Academic Advisor will help you complete your pathway map based on your academic goals.
